Phil-

Of course you can participate in the meeting. It will be located in the federal building. I asked Teena for NEPA support and she suggested Mark Jen. So, Mark will be at the meeting too. Cara will be calling in. If you can get there in time we are having a pre-meeting with just the Corps beginning at 12:30 in the same conference room.

I'll forward you the information. It'll be good to see you

## Description / Agenda

Hello Jeff et. al.,

August 13th will work for the Corps and having tribal representatives present is welcomed by the Corps, too.

Patti/Mark - Could would use a EPA conference Room? Ours in the Anchorage Field Office is too small and holding the meeting on base will be inconvenient for many.

As far as the Agenda goes, here's a Draft to begin the discussion.

Date: August 13, 2010

Time: 1:30 PM to 3:00 PM

Location: To Be Determined

1. Introductions
2. Explanation of the Corps Regulatory Program (10 minutes)
3. Explanation of EPA's Authorities (10 minutes)
4. G. Parker May 2010 Letter to Corps and EPA (Parker)
  - 4.1. NEPA and Cooperating Agency Status
  - 4.2. Joint-Lead Agencies

The reason I have the Corps and EPA up before the letter is to help underpin the discussion we'll have on about the letter.

I will be out of the office from the afternoon of Friday July 30 to August 11. While the agenda is being worked and finalized, please coordinate with Katie McCafferty who is our Project Manager for the proposed mine.

Thanks,

dc

I understand that you are going to be in AK for meetings in SW AK re NEPA. Because cooperating agency issues are a matter of NEPA, I want to float with all of you the idea of bringing the client tribes into the meeting. The letter of May 21, from me and co-counsel, requested a preliminary meeting of us with COE and EPA officials to address preliminary issues mentioned in the letter, so that we could report back to the tribes. Because you and perhaps

others from outside of AK will be here, it might make sense to re-think and have tribal representatives present.

I would appreciate your thoughts. Nevertheless, we will need an agenda for this meeting. We can all assist.

Jeff

Dave -

Can we plan on Aug 13? That way I can attend in person. Anytime before 3 :30 pm works for me.

thanks -

Dave -

I just filled in the survey and selected only August 13 (anytime) as a date that works for me. That is because it is the only time that I can be in Anchorage in person for the meeting and I would prefer to be there in person. I checked with other EPA attendees (Mark Jen) and that will work for him.

Let me know if Aug 13 does not work for others and I can come up with alternate dates when I can conference call in.

- Patty
